With our \$1M Dollar campaign coming to an end, the Community Foundation sent out 700 Fund Raising letters in January to help us reach our \$1M Goal by June, 2009. To date, we have received over \$31,000 in reply. We are quite pleased with so many first time donations and many are In Memory of loved ones. We thank everyone who has donated and hope that you will keep us in mind for the future. Remember, donations are held in perpetuity and the income earned is returned back to the community.

Western Canada Summer Games granted the Selkirk Canoe Kayak Centre \$1,584 to purchase turbo paddles For the Kids Program.

Gordon Howard Centre received \$4550 to help with renovations to their multi-purpose room.

GRANTING

Since incorporation in 1995, the Foundation has granted over \$807,000 to various charitable organizations in Selkirk, St Andrews & St. Clements. In spite of the turmoil created by the financial markets this past year, the Board of Directors were very pleased to be able to grant a total of \$84,000 this year. This granting does not touch the capital of the investments.
