Message from the Chair

The last 12 months has seen several milestones achieved by the Selkirk and District Community Foundation. "The Drive for Five" fundraising target, which would have the Foundation reach \$5.0 million in assets by 2015, was achieved well ahead of schedule—in March of 2011! Due in no small part, from the largest single gift received from a living donor, bequests from estates of local residents, and by the generosity of many individuals who keep the Foundation front and center in their charitable giving sights. The Foundation supports deserving organizations in the R.M. of St. Andrews, the R.M. of St.

Clements, and the City of Selkirk. Donations both big and small, are gifts made in perpetuity allowing community minded people a means to support worthy causes now and forever. As part of the Board and Staff's efforts to enhance the profile of the Foundation, a new tag line was recently developed. Three simple words, "Here for Good", represents the permanency of the Foundation and furthermore captures the benefits our perpetual grant-making makes within our communities. Your growing support of the Foundation is both exhilarating and humbling. For this privilege, we truly thank you.

5 ways to be Here for Good

2 Some of us like to give back to a community that was good to us over the years and create a special fund as a living "thank-you" that will last for generations to come.

"It gives you a good feeling when you see where your funds are going. It keeps you connected to the community. Everyone should just give what they can."

Jim and Betty Gaynor

4 Our Community Fund collects donations from far and wide and redistributes it to dozens of groups in our communities. In 15 years we've supported 102 different groups. This fund supports programs dedicated to improving community & family services; education; arts & culture; health; historical projects, environment, youth & children programs and senior services.

5 Creating a special fund in memory of a loved one is easy to do. The daughter of Eleanor Johnson created Amma's Book Shelf Fund. The proceeds will go to buying a copy of the children's book "Good Night Moon" and giving it to every baby born at the Selkirk & District General Hospital—that's over 250 babies a year!

1 We all donate in the best way we can. Some of us contribute a little bit every month to our favorite project in any one of the 10 existing funds under the SDCF umbrella.

"Everyone deserves the same opportunities that we have. We support SDCF because they help ensure that everyone in our community is given that chance."

Derrick & Carolyn Coupland

3 Imagine a project you care about. Chances are we already have a fund dedicated to your favorite cause that would welcome your added support. Over \$21,500 has been granted to the St Andrews Community Club and the Petersfield Curling Club through three different partnering funds, the R.M. of St Andrews Endowment Fund, The Foundation's Community Fund and the Winnipeg Foundation's Kusner Family Fund. All of these funds are designed to help community organizations enhance the facilities that will in turn enhance the programs.

Thank you for being Here for Good...
