

## Greetings from the Chair

In 1995 some visionary leaders decided that together we should plan for the future health and welfare of our community.

Inspired by an offer from the Thomas Sill Foundation to seed a local foundation, our predecessors found matching donations in the community and launched the Selkirk and District Community Foundation, 20 years ago.

The concept was brilliant and simple. Donations collected under the SDCF banner would be carefully invested and only the interest off the donations would be given to charitable organizations doing good work in the City of Selkirk and the Rural Municipalities of St. Clements and St. Andrews. Under this concept all your donations are invested and never spent, rather they work as a resource forever.

Fast forward 20 years and we have lots of good news to share.

One of our first donations was \$40 and since then hundreds of donors have grown the SDCF assets to \$8.4 million. From the interest earned we've gone from funding five

organizations in 1998 to 32 organizations in 2015. In 20 years, more than \$1.4 million has gone back into the community for needs as diverse as childcare and senior centres; hockey rinks and heritage sites; shelter for women, children and the homeless; scholarships and bursaries for our future leaders; and projects as worthy as cleaning up Lake Winnipeg.

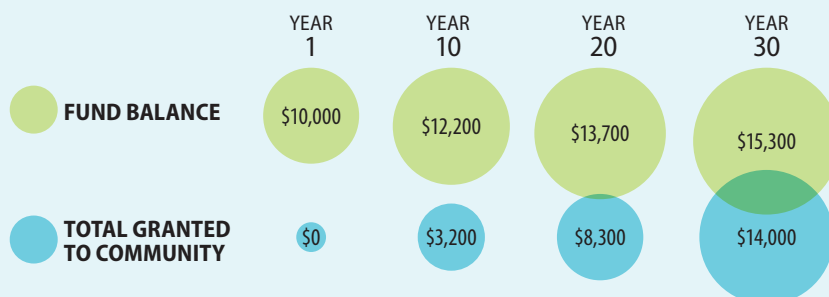

As we celebrate the SDCF's 20th birthday in the pages of this annual report we hope you'll see how everything is adding up nicely. Thanks to you, we're Here for Good.

## Endowment Funds 101

*Here for Good*, working hard and giving back year after year, no matter how big or how small your donation.

As the graphic below shows your endowment gift grows and grows over time, while still giving.

*Note: These figures are based on 6.1 per cent interest, which has been the SDCF average return for the past 10 years.*

## Thanks Dr. Hussain!

## It all starts with you - our donor

No matter how large or small the gift or how old or young our donors, we wouldn't be celebrating 20 years without our smart and caring community. The reasons our donors give is as varied as they are. Some gifts are one-time donations as part of an estate; others come from regular donors who have been with us from the beginning.

## Remember a founding member

*SDCF First Board of Directors (left to right) front: Elmer Kuber, Lewis Wasel, Bill Findlater. Back: Ed Sitarz, Jean Oliver, Dawn MacFarlane, Charles Barnard, Dr. Ike Hussain*

When Dr. Ike Hussain died in 2012 Selkirk resident Jean Oliver was quick to donate to the SDCF in his memory. For her and so many in the community Dr. Hussain represented the drive and determination that helped create our foundation. Jean remembers how for two years in the mid 1990s Dr. Hussain and Selkirk Hospital CEO Elmer Kuber hosted 20 people in the hospital boardroom as they planned for a future foundation. The monthly meetings would have to be at 7 a.m. so Dr. Hussain could shepherd the project before heading into surgery. "He was determined we would see this come to fruition. He was a founder and early major donor. The rest of us just followed him," says Jean, the first vice-chair of the SDCF board of directors. When the Selkirk Hospital was to become integrated into the Regional Health Authority, Dr. Hussain wanted the bequest and donation monies of the hospital to remain in our community and thought a community foundation was the best place for them. These were some of the very first funds at the SDCF and exceeded \$520,000 by 1998.

## Inspiring young donors

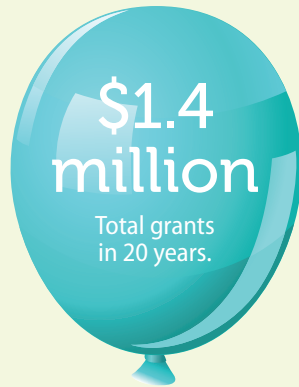

Katherine Clegg and Kit Muir share a lot in common with the SDCF. They celebrate their 20th birthdays this year and recently started donating to the SDCF. Katherine already had a deep relationship with the foundation as a member of the Youth in Philanthropy program at the Lord Selkirk Regional Comprehensive Secondary School where the YIPers choose local projects to support with funding from the Foundation. Kit, trained in tourism management says her family is now thinking about how to set up a SDCF fund to support cultural trips and travel for young people.

*Katherine Clegg (left) and Kit Muir made their first donations this year.*

## More donations naturally lead to more grants

We created our first fund in 1995. By 1997 we had enough interest collected that we could start sharing grants and we haven't stopped since. The international recession slowed our income for a few years, but it didn't stop our ability to provide grants every year.

## A snapshot of grants over 20 years.

## Getting kids out doors more

A grant to the Selkirk Friendship Day Care Centre last fall makes sure kids get outside to play regularly. When the centre's daycare adopted the "Leave No Child Inside" program it needed help with new outdoor play equipment. The foundation contributed \$7,000 to the project so it can start to create a new playground site for the preschoolers this year.

Day Care director Lori Fiddler knows playing outside is about to be a whole lot more fun and healthier at the Friendship Centre.

Rene Gauthier along with many hard working volunteers renovated the shelter with \$8,400 grant from the SDCF.

## First homeless shelter opens

After 12 years of volunteering at Our Daily Bread Soup Kitchen, Rene Gauthier knew what he needed to do next. After watching people arrive week after week at the soup kitchen door in Selkirk, cold with having spent the night outside in freezing temperatures or dehydrated by the summer heat, he realized our area needed a homeless shelter. Christened St. Francis Place, the shelter opened in Selkirk in the winter of 2014 and had over 100 visits in March 2015 alone.

## New gym breaths new life

While the staff and 105 kids at Walter Whyte School in Grand Marais were pretty excited to get the flooring of their 1960s school gym replaced, there was one problem. When the job was over there was no money left over to put in new inserts in the floor for volleyball and badminton poles or to buy new nets. Fortunately the Western Canada Summer Games Legacy Fund at the SDCF was created for projects just like that. The fund was used to issue a grant of \$1,200 to help finish off the renovations.

## New funds created every year

Our very first fund – the Community Fund – is still going strong 20 years later with \$1.5 million in the fund. Every year smart and caring members of our community create new funds in memory of loved ones; in appreciation for a cause they care deeply about or to thank a community where they worked, lived or raised their family. In our 20th year we'll see six new funds come on board.

## Reserves create long term fund

The Selkirk Youth Hockey Association has hosted several major hockey events in Selkirk – very successfully. In fact in many cases the events from World Juniors to World Women's hockey left some extra money in the bank, which the association has used to help local kids get in, and stay in, hockey. To seal its commitment to opportunities for kids in Selkirk and the region, the SYHA created two new funds this year - Selkirk Youth Hockey Association Fund and the Selkirk Youth Hockey Association Education Fund at the SDCF. "We want to ensure that as many kids as possible have the opportunity to practice and play hockey and make sure the programs are affordable and accessible in the future, too," says SYHA treasurer John Buffie.

Erma Hill 1951-2014.

## Aunt creates unique fund

In 2001 when Edith Schofield of Selkirk passed away, her will revealed a very unique idea. She had created a trust fund to take care of the needs her niece Erma Hill might have. Aunt Edith planned a step further and also instructed that upon Erma's death any monies left in the trust should be turned into a fund at the SDCF. She designated that the interest off those funds be used to support St. Amant Centre in perpetuity. Erma Hill, 63, passed away last year and a fund in her name valued at over \$885,000 has been created at the SDCF.

## Young dad remembered

After Curtis Niemi had a heart attack and drowned while taking his daughter swimming in June 2012, his family and friends rallied to make sure his memory would never be forgotten. For the last three years they've been hosting fundraisers to remember Curtis. With some of the early donations they've seeded a start up fund at the SDCF. When the fund reaches \$10,000 it will be officially launched as the Curtis Niemi Legacy Fund and will disperse grants to some of Curtis' favourite passions – hockey, soccer, literacy, health and children.

## We break the record

**\$25,000+**  
 Raised in 24 hours  
 on National  
 Philanthropy Day  
 2014.

We surprised even ourselves last year when we set a goal to raise \$10,000 in 24 hours on National Philanthropy Day. The community rallied quickly and raised \$25,688!

The Winnipeg Foundation, that initiated the 24 Hour Giving Challenge, contributed an additional \$2,000 to our fund.

There were 39 foundations across Manitoba involved in the challenge. Selkirk and area residents made SDCF the #1 fundraiser that day, outdistancing the second runner up by 40 per cent.

Board Chair Kelly Lewis, husband Larry and the grandchildren login to make a donation on National Philanthropy Day.

## In memory of you

Selkirk and district lost some great community leaders, volunteers, philanthropists and friends in the last year. Their families identified SDCF as their charity of choice. Below are of those people you remembered in your donations from April 1, 2014-March 31, 2015.

## Donating made easy at the City of Selkirk

The smart and caring staff at the City of Selkirk is the first team to create an employer "cheque off" plan for the SDCF. Every employee now has an option to have a set amount automatically deducted from their pay cheques and donated to any one of several different SDCF funds or a charity of their choice. "City employees care about their community and so many of them dedicate their lives to creating a good quality of life for others. This is just one more way they can show they care," says CAO Duane Nicol.

St. Andrews Day Care staff look forward to buying educational toys and large appliances for their new facility with a \$12,375 SDCF grant. Left to right Connie Hack and Tracy Laing, board members, Shelly Marques, Executive Director and Anna Vandenberg, Assistant Director.

The tykes at Onashiwin Aboriginal Head Start Program are arriving at their pre-school safer this year with a \$6,151 SDCF grant to buy a new bus, improve the parking lot and building entrance to their program.

Executive Director Bev Clegg and board member Mark Webster get a sneak peak at the researcher's findings on the Namao – the vessel supporting the Lake Winnipeg Research Consortium where the SDCF provided a grant of \$10,000 for two years.

# Selkirk & District Community Foundation 20<sup>th</sup> Birthday Challenge

## 20 years ago

The Thomas Sill Foundation helped seed The Selkirk & District Community Foundation with an incentive grant 20 years ago. In 1995 TSF promised to donate \$100,000 to a Community Foundation if the area residents were able to raise \$200,000. And we did it!

## Today

As we celebrate our 20th birthday the Thomas Sill Foundation is back again with a fabulous birthday present. Starting this year it will donate \$1 for every \$2 we raise over the next 18 months. Our goal is to raise \$20,000 and the TSF will help us turn it into \$30,000!

## Take a Challenge

You can help us get there any way you want. Here are three ideas.

### \$20

**Take the \$20 Personal Challenge** and donate \$20 a month for a friend's birthday, an anniversary, in memory of someone you miss or just because you care.

### \$200

**Create a Staff Cheque-Off Program** at your workplace. Get the staff together and plan to have a donation automatically deducted from every paycheque with a goal to raise \$200 (or more!). Ask us how the City of Selkirk employees did it.

### \$2,000

**Seed Your Own Fund** with a \$2,000 donation this year with the long-term goal to repeat that investment for five years until you have enough to launch your own fund in your name for a cause you care about. Ask us how local families, businesses and faith groups have done it already.

To learn more about how we can ensure your donations are *Here for Good* contact **SDCF Executive Director Bev Clegg** directly at:
