

SDCF taking part in Community Services Recovery Fund

Selkirk & District Community Foundation taking part in the Community Services Recovery Fund – a \$400 million investment in charities and non-profits

Now more than ever, charities and non-profits are playing a key role in addressing persistent and complex social problems faced by all Canadians. The Community Services Recovery Fund is a \$400 million investment from the Government of Canada to support charities and non-profits as they focus on how to adapt their organizations for pandemic recovery.

SDCF is proud to be working with community foundations across Canada as part of the Community Services Recovery Fund. This fund is a collaboration between Canadian Red Cross, Community Foundations of Canada, and United Way Centraide Canada to provide funding to Community Service Organizations including non-profit organizations, Indigenous Governing Bodies and Registered Charities located in Canada. The Community Services Recovery Fund responds to what charities and non-profits need right now and supports organizations as they adapt to the long-term impacts of the pandemic.

Community Service Organizations can apply from January 6, 2023, until February 21, 2023. Visit www.communityservicesrecoveryfund.ca to find out more about how to apply, explore resources for applicants, and sign up for upcoming webinars.
